Biomedic Product Line

Biomedic - AntiBac Acne Wash

Product ID: 27797

For acne prone/active acne skin. Contains 1.8% Salicylic Acid and Lactic Acid. This is a gentle exfoliate wash for the treatment of acne. Helps clear up acne blemishes, pimples, and blackheads. Penetrates pores and helps prevent acne blemishes from forming. [Call 1-800-393-3848 to order.](tel:1-800-393-3848)

Retail Price: \$32.00

Usage:

Apply a small amount to damp face. Massage for a full 60 seconds. Rinse thoroughly.

Biomedic - C-Recovery Treatment

Product ID: 27953

Product Expires March 31st 2009.

All Sales Final - No Returns or Exchanges.

What do you think of when you imagine perfect skin? How about a smooth, even complexion that's firm and hydrated? La Roche-Posay Biomedic C-Recovery Treatment has a new formula to give you all of that and more. Enriched with La Roche-Posay's own Thermal Dermobiotic Extract, this treatment reduces skin sensitivity, encourages post-procedure recovery, reduces wrinkles, and hydrates for healthy, younger-looking skin.

1 fl. oz.

WHO IT'S FOR

Ideal for those with aging sensitized or sensitive redness-prone skin with fine lines and wrinkles; or those who have sensitized skin from laser or chemical procedures.

Vitamin C 5% in its purest form penetrates immediately and protects the skin by neutralizing free radicals. Xanthine 0.2% (mixed with a slight green tint) helps to soothe redness. Glycerin hydrates the skin.

Retail Price: \$58.50

Our Price: \$52.70

Usage:

Apply in the morning and/or evening to well-cleansed face and neck. In case of eye contact, rinse thoroughly. If irritation occurs, extend time between applications.

Biomedic - Collagenist Powder

Product ID: 27778

Collagenist Powder is 100% pure, topical vitamin C powder. Use it to customize any gel, lotion, or cream to help reduce the signs of environmental damage.

[Call 1-800-393-3848 to order.](tel:1-800-393-3848)

Retail Price: \$49.00

Usage:

Mix in the palm of your hand two level scoops of the powder to product. Mix until the powder is dissolved and apply immediately to the face. Can be used A.M. and P.M.

Biomedic - Conditioning Cream

Product ID: 27758

For hypersensitive skin. Conditioning Cream was formulated as an extra rich emollient cream for sensitive skin. Conditioning Cream will improve skin texture while promoting a healthy, youthful glow. [Call 1-800-393-3848 to order.](tel:1-800-393-3848)

Retail Price: \$49.00

Our Price: \$39.60

Usage:

Apply to a clean, dry face. Avoid eye area. Use sun protection daily and avoid prolonged exposure to sunlight.

Biomedic - Conditioning Gel

Product ID: 27760

For all Skin types. Conditioning gel was formulated specifically to reduce discoloration in the skin and to improve skin texture. Regular use will help to maintain smooth, clear skin. [Call 1-800-393-3848 to order.](tel:1-800-393-3848)

Retail Price: \$49.00

Our Price: \$36.90

Usage:

Adults: Apply a small amount as a thin layer on the affected area twice daily, or use as directed by doctor. If no improvement is seen after 3 months of treatment, use of this product should be discontinued. Lightening effect of this product may not be noticeable when used on very dark skin. Children under 12 years of age do not use unless directed by a doctor.

Sun exposure should be limited by using a sunscreen agent, a sun blocking agent, or a protective clothing to cover bleached skin when using and after using this product in order to prevent darkening from reoccurring.

Biomedic - Conditioning Gel Plus

Product ID: 27761

For all skin types. Conditioning Gel Plus acts as a powerful clarifier for pigmented skin. Formulated to reduce discoloration and to reduce cellular buildup in the pores. Regular use will help develop uniform skin tone and a clear, smooth complexion. Conditioning Gel Plus also works well on hands, chest, and back. [Call 1-800-393-3848 to order.](tel:1-800-393-3848)

Retail Price: \$56.00

Our Price: \$48.60
