Product ID: 39947

Exuviance Antioxidant Perfect 10 Serum provides superior broad spectrum defense against oxidative damage brought on by daily environmental exposure, the primary cause of visible signs of skin aging. Our patented Bionic and Alpha Hydroxy/Polyhydroxy Acid (AHA/PHA) blend is enhanced with proven botanical antioxidants, including Grape Seed Extract, super potent EGCG Green Tea Extract and the pure active botanical ingredient extracted from Lilac. This customized formula helps trap free radicals and skin damaging metals, and helps prevent the oxidative breakdown of healthy cells and collagen, elastin and the skin's support matrix. If no discomfort occurs, follow directions above. Wash hands after applying. Replace disc and cap tightly immediately after use.
