---

**GlyMed Plus - Serious Action - Action Pac Grade 1**

Product ID: 20355

Sal-X Exfoliating Cleanser (2 oz.): Peels away layers of environmental skin fatigue for clearer, younger looking skin. Beta Hydroxy, Vitamin C enriched formula contains micro beads to help remove dead skin, debris, blockage and bacteria. Revives environmentally stressed skin while purifying ingredients penetrate into pores to purge out impurities caused by acne, makeup or excess oil. Pores appear visibly smaller; skin instantly looks smoother, healthier and incredibly soft.

Skin Astringent No. 2 (2 oz.): Helps remove bacterial components and oil residue after cleansing.

Skin Medication No. 5 (2 oz.): Provides a more active option for the treatment of severe acne, while the healing and anesthetic qualities of Aloe Vera help reduce irritation sometimes associated with higher-strength Benzoyl Peroxide.

All Sales Final - No Returns or Exchanges.

**Retail Price:** \$62.00

**Our Price:** \$43.00

**Usage:**

Morning:

Sal-X Exfoliating Cleanser (2 oz.):

1. Pour a nickel-sized amount into palm and massage gently over entire face and neck for about 1 minute. (use fingertips with only light strokes) For sensitive skin: mix a small amount of water into cleans

---

**GlyMed Plus - Serious Action - Action Pac Grade 2**

Product ID: 20356

Sal-X Purifying Cleanser (2 oz.): Get a clearer and younger looking skin just by cleaning your face with Sal-X Purifying Cleanser. This Beta-Hydroxy and Green Tea enriched cleansing formula revives environmentally stressed skin while the purifying ingredients penetrate immediately into the pores to purge out impurities caused by acne, makeup or excess oil. Pores appear visibly smaller; the skin instantly looks smoother, healthier and younger.

Astringent # 2 (2 oz.): Helps remove bacterial components and oil residue after cleansing. Refresh your complexion after cleansing with our cooling astringent containing 2% Salicylic Acid, Tea Tree Oil and Menthol. All natural, active ingredients help dry up acne, reduce redness and clear away bacteria and oil residue.

Medication # 5 (2 oz.): Proven benefit of benzoyl peroxide for reduction of fatty acids and bacteria. Contains 5 percent benzoyl peroxide plus tea tree oil. Use for less severe acne or as preparation for No. 10.

Serious Action Masque (1 oz.): A revolutionary masque combining salicylic acid with glycolic and lactic acids, this kaolin and water-based clay formulation incorporates the healing properties of ancient herbal remedies and Tea Tree Oil for effective morphogenic relief of skin stressed from acne, congestion and open and closed comedones.

All Sales Final - No Returns or Exchanges.
