**Gly Derm - Intense C Serum PM**

Product ID: 13060

Vitamin C Serum PM is formulated with 7.5% L-Ascorbic Acid, the only form of vitamin C suitable for topical application. L-Ascorbic Acid reaches the deepest layers of the skin to provide superior antioxidant protection, defends against damaging UVA and UVB rays, contributes to collagen synthesis and helps prevent premature signs of aging. Intense C Serum PM is a vitamin C concentrate with patented QuSome delivery.

Intense C Serum PM may be recommended for aging and mature skin types. Not recommended for use on oily or acne-prone skin.

**Benefits**

- Intense C Serum PM provides superior antioxidant protection.
- Defends against damaging UVA and UVB rays.
- Contributes to collagen synthesis.
- Helps prevent premature signs of aging.

**Retail Price:** \$50.00

**Usage:**

Wash with GLYDERM Gentle Cleanser. Apply 5-6 drops of Intense C Serum PM directly onto the face, focusing on the cheeks and forehead. Smooth over entire face with fingertips. A warming sensation may follow. Can be used alone or under your nightly moisturizer. Store at room temperature. Avoid major temperature fluctuations for prolonged periods.
