**Neostrata Product Line**

**Neostrata - Acne Regimen Kit**  
Product ID: 25736

The NeoCeuticals Acne Regimen Kit is your first introduction to the NeoCeuticals acne-prone line and allows you to care for problematic skin with advanced ingredients that target, treat and prevent acne in a convenient 4-piece "try me" collection. First, gently clear problematic bacteria with NeoCeuticals Antibacterial Facial Cleanser, a professional-strength, soap-free cleanser with the broad spectrum antibacterial agent Triclosan. Next, reduce shine and oil with NeoCeuticals Oil Control Gel - the combination of Gluconolactone (a PHA) and Mandelic Acid (an AHA) helps exfoliate dead surface cells and minimize the appearance of pores. Treat any occasional breakouts with NeoCeuticals Acne Spot Treatment Gel, a highly effective treatment containing pro-retinol, 2% salicylic acid and a multi hydroxyacid complex. This gel quickly penetrates pores, helping to eliminate acne blemishes, pimples, blackheads and whiteheads while allowing the skin to heal. Spot treat any skin discolorations and uneven skin tone with NeoCeuticals Skin Brightening Gel. This oil-free gel contains Kojic Acid 2%, combined with Alpha Hydroxy and Polyhydroxy Acids, botanical skin brighteners and Vitamin C, to exfoliate skin by stimulating epidermal renewal to uncover healthier skin. Recommended by Physicians.

NeoCeuticals Acne Regimen Kit features several highly effective and clinically proven ingredients developed to target the needs of oily or acne prone skin:

- Triclosan a broad spectrum antibacterial agent
- Gluconolactone a Polyhydroxy Acid that works on abnormal keratinization, the underlying cause of acne lesions
- Salicylic Acid a keratolytic that breaks down the stratum corneum to help prevent clogged pores
- Acetyl Mandelic Acid and a triple Alpha Hydroxy Acid (AHA) blend to exfoliate and help reduce facial oil.
- Pro-retinol to enhance cell turnover and smooth skin texture

**Kit Includes:**

NeoCeuticals Antibacterial Facial Cleanser, 2 fl oz

Professional-strength foaming cleanser formulated with a gentle and conditioning Polyhydroxy Acid (PHA) and a broad spectrum antibacterial. This soap-free cleanser deep cleans and removes surface oils.

NeoCeuticals Oil Control Gel, 10 mL tube

Oil-free gel formulated to help control oil and instantly reduce shine. Gluconolactone (a PHA) and Mandelic Acid (an AHA) exfoliate dead surface cells and minimize the appearance of pore size, while providing light hydration for oily prone skin. Helps smooth skin texture and even tone.

NeoCeuticals Acne Spot Treatment Gel, .5 oz tube

Highly effective spot treatment with 2% salicylic acid penetrates pores to quickly eliminate most acne blemishes, pimples, blackheads and whiteheads. Allows skin to heal.

NeoCeuticals Skin Brightening Gel, (5) 2 g packettes

Oil-free gel formulated with Alpha Hydroxy and Polyhydroxy Acids (AHAs/PHAs) to brighten and exfoliate skin discolorations and even skin tone. Stimulates epidermal renewal to reveal brighter, newer cells. Contains Kojic Acid 2%, Vitamin C and botanical skin brighteners.

**Retail Price:** \$32.00

**Usage:**

Apply NeoCeuticals Antibacterial Facial Cleanser to wet skin and gently massage to develop foaming action. Rinse thoroughly with water. Use twice daily.

Following cleansing, apply NeoCeuticals Oil Control Gel. Let dry thoroughly before applying other cosmetics. If desired, reapply throughout the day to control shine.

For spot treatments: On clean dry skin, using your fingertips, cover the entire affected area with a thin layer of NeoCeuticals Acne Spot Treatment Gel 1 to 3 times daily.

To Brighten: Apply a small amount of NeoCeuticals Skin Brightening Gel as a thin layer on the affected area twice daily.

---

**Neostrata - Anti-Aging Level 1: Starter Protocol**

Product ID: 21030

The NeoStrata AntiAging Level I Starter Protocol includes day and night products formulated with 10% AHA for first time AHA users. Alpha hydroxyacids (AHAs), glycolic and citric acid help visibly reduce fine lines and wrinkles and restore the skin to a more youthful appearance. AHAs have also been proven to improve the quality of elastin and the density of collagen, and to promote the production of GAGs such as natural hyaluronic acid, which help support the skin, building volume, increasing the appearance of fullness and firmness, and smoothing wrinkles from the inside out. These NeoStrata AHA products are also formulated with an amphoteric complex to maintain

effectiveness while adjusting pH for gentle skin absorption.  
Protocol Includes: Facial Cleanser 6.0 fl oz, Bionic Face Serum 1 fl oz, Ultra Daytime Smoothing Cream SPF 15 1.4 oz, Ultra Smoothing Cream 1.4 oz.

- Powerful anti-aging benefits for first time users of AHAs
- Controls Signs of Aging
- Restores Youthful Radiance

**Retail Price:** \$141.00

**Usage:**

Apply a moderate amount of NeoStrata Facial Cleanser to wet skin and massage gently to cover the entire face. Rinse with water. Use twice daily. After cleansing, apply a drop of NeoStrata Bionic Face Serum to the face and neck. In the daytime, follow with NeoStrata Ultra Daytime Smoothing Cream SPF 15. In the evenings apply NeoStrata Ultra Smoothing Cream to the face and neck following cleansing and the use of any treatment products.

---

**Neostrata - Anti-Aging Level 2: Step Up Protocol**

Product ID: 21031

The NeoStrata Anti-Aging Step Up Level 2 Protocol is formulated with powerful levels of AHA/PHA, including glycolic acid, for patients who have already experienced and demonstrated tolerance of glycolic acid (such as 10% formulas found in NeoStrata Anti-Aging Starter Level 1 Protocol). AHAs have been shown to reduce pore size, smooth texture, even skin pigment and tone, and improve the quality of skin structure (elastin, collagen and GAGs) so skin has a more youthful fullness, and wrinkles are smoothed from the inside out. These NeoStrata AHA products are also formulated with an amphoteric complex to maintain effectiveness while adjusting pH for gentler skin absorption.

Protocol Includes: Foaming Glycolic Wash 3.4 fl oz, Bionic Face Serum 1 fl oz, Ultra Daytime Smoothing Cream SPF 15 1.4 oz, High Potency Cream 1.0 oz.

- Powerful anti-aging benefits for experienced users of AHAs
- These products should only be used by patients not sensitive to glycolic acid.
- Reverses Signs of Aging
- Restores Youthful Radiance

**Retail Price:** \$159.00

**Usage:**

Pump a moderate amount of Foaming Glycolic Wash into hands. Apply to wet skin and cover entire face, avoiding eyes. Rinse with water. Use twice daily. After cleansing, apply a drop of NeoStrata Bionic Face Serum to the face and neck twice daily. In the daytime follow with NeoStrata Ultra Daytime Smoothing Cream SPF 15. In the evening, apply NeoStrata High Potency Cream to face and neck after cleansing and application of treatment products.

---

**Neostrata - Bionic Eye Cream PHA 4**

Product ID: 13841

A specialty eye cream containing multiple Poly Hydroxyacids (PHAs) gluconolactone and lactobionic acid and Pro-Vitamin A to visibly reduce the appearance of fine lines and wrinkles.

This powerful antioxidant product also contains Vitamin K, Green Tea Extract and Cucumber Extract to target dark circles and puffiness in the eye area.

Fragrance-Free

Dermatologist-Developed

**Retail Price:** \$50.00

**Usage:**

Gently apply product to the area around the eye until cream disappears. Use twice daily or as directed by a physician or skin care professional. Daily use of a sunscreen with this product is recommended.

---

**Neostrata - Bionic Face Cream PHA 12**

Product ID: 13825

An advanced anti-aging cream formulated with the Polyhydroxy acids (PHAs) gluconolactone and lactobionic acid to moisturize and restore the skin to a smoother, healthier and more radiant state. Repeated use may reduce the appearance of fine lines and wrinkles.

**Retail Price:** \$45.00

**Usage:**

Apply to face and neck twice daily or use as directed by a physician. Gently smooth in the cream until it disappears. Daily use of a sunscreen with this product is recommended.

---

**Neostrata - Bionic Face Serum PHA 10**

Product ID: 13827

This intensive treatment product is formulated with lactobionic acid, a polyhydroxy acid, in addition to Vitamins A, C and E to help provide intense moisturization, and reduce uneven pigmentation. Repeated use may reduce the appearance of fine lines and wrinkles.

**Retail Price:** \$55.00

**Usage:**

Apply to the face and neck daily, following cleansing and before applying other cosmetic products or as directed by a physician.

---

**Neostrata - Bionic Lotion PHA 15**

Product ID: 13826

This fragrance-free light lotion is formulated with the polyhydroxy acids (PHAs) gluconolactone and lactobionic acid in addition to multiple skin conditioners and Vitamin E to help relieve extremely dry or scaly skin, including eczema. Repeated use may help reduce the appearance of fine lines and wrinkles.

**Retail Price:** \$28.00

**Usage:**

Apply to the face, hands and /or body twice daily. Gently smooth in the lotion until it disappears. Daily use of a sunscreen with this product is recommended.

---

**Neostrata - Bionic Skin Lightening Cream SPF 15 PHA 10**

Product ID: 13838

This new product lightens discolored skin such as freckles, age and liver spots or pigment in the skin that may occur from pregnancy or from the use of oral contraceptives. This product also contains sunscreens to prevent darkening from recurring. PLEASE NOTE if you are pregnant, breast feeding or intend to become pregnant within 3 months, please consult your physician before use.

**Retail Price:** \$32.00

**Usage:**

Apply a thin layer on affected area twice daily. Lightening effect may not be noticeable when used on very dark skin. Limit exposure to sun to prevent darkening from recurring; use a sun blocking agent or protective clothing.

---

**Neostrata - Daily Care For Mature Skin**

Product ID: 13835

This regimen contains the following: Eye Cream - 0.50 oz. , Renewal Cream PHA 12 - 1.05 oz., Facial Cleanser - 6.0 oz. , Lip Conditioner SPF 15 PHA 4 - 0.14 oz.

**Retail Price:** \$104.65

**Usage:**

Eye Cream - Apply sparingly to the area around the eyes twice daily. Gently smooth in the cream

without rubbing. Daily use of a sunscreen with this product is recommended.  
Renewal Cream - Apply a small amount as a thin layer in the evening or use as directed by a physician. Daily use of a sunscreen is recommended.  
Facial Cleanser - Apply a moderate amount to wet skin and gently massage to cover the entire face. Rinse clean with water. Pat dry. -  
AHA Lip Conditioner - Apply three or more times daily to the lips, following cleansing and eating. Avoid direct application to areas of unhealed or open skin.

#### **Neostrata - Daytime Protection Cream SPF 15 PHA 10**

Product ID: 13803

This light textured cream is formulated with gluconolactone (PHA), lactobionic acid (a complex PHA), multiple antioxidants, Vitamin E and broad spectrum sunscreens for daily use by all skin types. This product moisturizes and smoothes the skin and provides protection against the damage caused by the sun, allowing the skin to maintain a youthful and healthy appearance. Repeated use may reduce the appearance of fine lines and wrinkles. Non-comedogenic.

**Retail Price:** \$36.00

**Usage:**

Apply to face and neck daily, following cleansing and before applying other cosmetic products. For adult use only. Apply additional sunscreen as needed for prolonged outdoor activities.

#### **Neostrata - Eye Cream**

Product ID: 13807

Highly moisturizing cream specially formulated with 4% gluconolactone to improve appearance of eye area. Hypoallergenic and ophthalmologist tested.

**Retail Price:** \$30.00

**Usage:**

Apply sparingly to the area around the eyes twice daily. Gently smooth in the cream without rubbing. Daily use of a sunscreen with this product is recommended.

#### **Neostrata - Facial Cleanser**

Product ID: 13809

This oil and soap-free nondrying cleanser combines moisturizing and gentle exfoliating action to thoroughly clean and remove makeup. Contains 4% gluconolactone. Can be used as part of a therapeutic treatment regimen.

**Retail Price:** \$26.00

**Usage:**

Apply a moderate amount to wet skin and gently massage to cover the entire face. Rinse clean with water. Pat dry.

#### **Neostrata - Foaming Glycolic Wash AHA 20**

Product ID: 13840

This extra-strength foaming cleanser is formulated with glycolic acid(an AHA) along the antioxidant PHA lactobionic acid to cleanse and prepare the skin. Repeated use will leave the skin smoothly textured and may reduce the appearance of fine lines and wrinkles. Daily use of sunscreen or sun avoidance is recommended with use of this AHA product and for one week after, to minimize the risk of sun sensitivity/sunburn.

**Retail Price:** \$28.00

**Usage:**

Pump a moderate amount of foam into hands. Apply to wet skin and cover entire area. Rinse with water. Use twice daily or as directed by a physician or esthetician.

**Neostrata - Foot Gel AHA 15**

Product ID: 13816

An extra strength foot gel specially formulated to smooth and soften hyperkeratotic feet. Relieves dry, rough, thickened and/or callused skin and moisturizes cuticles. Has been developed specifically for use on the feet. Formulated with 15% glycolic acid.

**Retail Price:** \$19.50**Usage:**

Apply to clean, dry feet twice daily, or as directed.

**Neostrata - Gel Plus AHA 15**

Product ID: 13815

Specially formulated for patients who prefer the light fresh feel of a gel rather than a cream or lotion, but need a stronger AHA concentration. A quickly absorbed, non-greasy oil free 15% glycolic acid product for the use on the face and body. It has been specially formulated for the relief of rough, dry, thickened skin on the hands, elbows and other areas of the body.

**Retail Price:** \$33.00**Usage:**

Apply once daily for approximately two weeks, then twice daily after the skin adapts to the gel. The use of a sunscreen is recommended.

**Neostrata - Hand and Nail Cream**

Product ID: 13808

This is a great product for dry, aging hands. A general-use hand cream specially formulated in an emollient base to moisturize and condition the hands and cuticles. The 8% gluconolactone cream reduces the visible signs of aging.

**Retail Price:** \$19.50**Usage:**

Apply to clean, dry hands, nails and cuticles. Thoroughly massage into the skin until it disappears. Reapply as often as needed.

**Neostrata - High Potency Cream AHA 20**

Product ID: 27920

This extra strength anti-aging cream is formulated with glycolic acid (an AHA) along with the antioxidant lactobionic acid (a PHA) to exfoliate, moisturize and restore the skin to a youthful appearance.

Repeated use will leave the skin smoothly textured and may reduce the appearance of fine lines and wrinkles.

**Retail Price:** \$42.00**Usage:**

Apply to face and neck once daily, as tolerated. Gently smooth in the cream until it disappears. Daily use of sunscreen or sun avoidance is recommended with use of this AHA product and for one week after to minimize the risk of sun sensitivity/sunburn.

**Neostrata - HQ Skin Lightening Gel PHA 10**

Product ID: 23642

Lightens discolored skin such as freckles, age and liver spots or pigment in the skin that may occur from pregnancy or from the use of oral contraceptives.

**Retail Price:** \$44.00**Usage:**

Apply a thin layer on affected area twice daily or as directed by a doctor. Children under the age of 12: consult physician.

---

#### **Neostrata - Lip Conditioner SPF 15 PHA 4**

Product ID: 13800

This rich conditioner, with Gluconolactone and SPF 15, is formulated to make the lips appear smoother and feel softer. Repeated use may help reduce the appearance of lip lines.

**Retail Price:** \$11.00

**Usage:**

Apply three or more times daily to the lips, following cleansing and eating. Avoid direct application to areas of unhealed or open skin.

---

#### **Neostrata - NeoCeuticals Acne Spot Treatment Gel**

Product ID: 13810

Provides all the powerful benefits and ingredients of the NeoCeuticals Acne Treatment Solution, but in a clear gel form. Fragrance-free. Recommended for mild to moderate acne for all skin types. Can be used as part of a therapeutic regimen. Offers the benefit of retinyl acetate (Vitamin A acetate). Derivatives of Vitamin A have been shown to be useful in improving acne and the overall condition of the skin. This product also provides the therapeutic effects of 2% salicylic acid and the benefits of our NeoHydroxy Complex in a clear gel form.

**Retail Price:** \$18.00

**Usage:**

Cleanse the skin thoroughly before applying medication. Cover the entire affected area with a thin layer one to three times daily. Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor

---

#### **Neostrata - NeoCeuticals Acne Treatment Solution**

Product ID: 13811

EASY TO USE, PORTABLE TREATMENT PADS. These treatment pads effectively controls oily and blemish prone skin. Proven efficacy in treating papules, pustules, and comedones. Formulated with 2% salicylic acid and a unique NeoHydroxy Complex. Total AHA content is approximately 3%. Recommended for mild to moderate acne for all skin types. Can be used as part of a therapeutic regimen. This solution has demonstrated effective results in treating papules, pustules and comedones. Continued use of this product may also benefit the exfoliation process.

**Retail Price:** \$20.00

**Usage:**

Cleanse the skin thoroughly before applying medication. Using a cotton ball or pad, cover the entire affected area with a thin layer one to three times daily. Because excessive drying of skin may occur, start with one application daily, then gradually increase to two or three times daily if needed.

---

#### **Neostrata - NeoCeuticals Antibacterial Facial Cleanser**

Product ID: 27807

A professional-strength foaming cleanser formulated with a gentle and highly moisturizing Polyhydroxy Acid (PHA) with a broad spectrum antibacterial. For use on dry or oily skin, as well as skin conditions which may be worsened by surface bacteria, such as rosacea and acne. Recommended for use in combination with other therapeutic regimens, and for those commonly irritated by soaps and cleansers. This soap-free cleanser deep cleans and removes surface oils, while providing a desirable smoothing effect. Contains Pro-Vitamin B5 for skin conditioning and chamomile extract for soothing.

The perfect path to skin that's refreshingly clean and soft to the touch.

This highly effective cleanser gently removes dirt, excess oil and makeup, while helping to maintain your skin's natural pH balance and moisture barrier.

A powerful blend of gluconolactone and triclosan reaches deep into pores to dissolve impurities and eliminate bacteria.

**Retail Price:** \$26.00

**Usage:**

Apply to wet skin and gently massage to develop foaming action. Rinse thoroughly with water. Use twice daily.

---

**Neostrata - NeoCeuticals Scalp Treatment**

Product ID: 13819

This scalp solution is formulated for use on dry flaking scalps. Helps loosen and remove scales, while moisturizing the scalp. Fragrance-free. Recommended to be used alone or in combination with other anti-dandruff regimens.

**Retail Price:** \$20.00

**Usage:**

Massage a generous amount onto moistened scalp in the evening. Wash out thoroughly in the morning. Wash hands after each application. Use on a daily basis until scaling is well controlled, then reduce use to several times a week to maintain control.

---

**Neostrata - NeoStrata Lotion Plus AHA 15**

Product ID: 13814

Extra strength, translucent lotion improves the visible signs of aging and relieves dry skin texture. Contains 15% glycolic acid in a formulation light enough for the face and body. It is especially effective in relieving rough, dry or photodamaged skin, and is only recommended after our Skin Smoothing Lotion has been used over a period of time.

**Retail Price:** \$32.00

**Usage:**

Directions for use

Apply once daily for approximately two weeks, then twice daily after the skin adapts to the lotion. The use of a sunscreen is recommended.

---

**Neostrata - NeoStrata-Face Cream Plus-AHA 15**

Product ID: 13817

An extra strength, extra-rich emollient cream that offers a 15% glycolic acid formulation to improve dry or photoaged skin. This high strength product should only be used after a period of treatment with our Skin Smoothing Cream, or before or after our Skin Rejuvenation System therapy.

**Retail Price:** \$32.00

**Usage:**

Apply to face and neck once daily for two weeks and twice daily thereafter, as tolerated. Gently smooth in the cream until it disappears

---

**Neostrata - Oil Control Gel PHA 8**

Product ID: 27921

This oil-free gel for the face, contains Asebiol to help control oil. This product is also formulated with gluconolactone (a PHA) and mandelic acid (an AHA) to exfoliate and smooth skin. Repeated use may help reduce the appearance of fine lines and wrinkles. This product can be used in conjunction with other Neostrata products.

This gel contains 8% PHA/AHA, a unique combination of Gluconolactone, to control excessive facial oil while it gently exfoliates, smoothes and moisturizes the skin.

**Retail Price:** \$23.00

**Usage:**

Apply to the face and neck daily, following cleansing or as directed by a physician. Let dry

thoroughly before applying other cosmetic products.  
If desired, reapply throughout the day as needed. Daily use of a sunscreen with this product is recommended.

---

#### **Neostrata - Oil-Free Lotion SPF 15 PHA 4**

Product ID: 13829

This oil-free, non-greasy, fragrance-free light lotion is suitable for oily prone skin to protect and moisturize the skin. This product is formulated with gluconolactone to help control oil, multiple skin conditioners, vitamin E and broad spectrum (UVA/UVB) sunscreens. Repeated use may help reduce the appearance of fine lines and wrinkles.

**Retail Price:** \$30.00

**Usage:**

Apply to the face and neck daily, following cleansing and before applying other cosmetic products or as directed by physician. Reapply if excessive perspiration occurs.

---

#### **Neostrata - Oily Skin Solution (also known as AHA Solution for Oily and Acne Prone Skin)**

Product ID: 13820

An AHA solution specially formulated to remove skin oils and cleanse clogged pores. Fragrance-free. Recommended for face and neck as a toner, acne-prone, combination or oily skin. Use with NeoCeuticals Acne Spot Treatment Gel at nighttime. Can be used as part of a therapeutic regimen. An 8% glycolic acid solution that will effectively help to remove excess oil and sebum, and enhance the exfoliation process. Daily use will help maintain a clear complexion.

**Retail Price:** \$23.00

**Usage:**

Directions for use

Apply liberally to the face, neck and forehead, with fingertips or small cotton ball, once daily for two weeks, and twice daily thereafter.

---

#### **Neostrata - Post-Acne Fade Gel**

Product ID: 21029

NeoCeuticals Post Acne Fade Gel is formulated with Polyhydroxy Acids that help exfoliate damaged cells and skin discolorations and create a more even complexion by enhancing cell turnover. Hydroquinone (2%) helps lighten and fade post-acne spots while Kojic Acid (3%) and licorice extract balance skin tone. Gentle pH formula.

**Retail Price:** \$90.00

**Usage:**

Apply a small amount as a thin layer on the affected area twice daily or as directed by a doctor. If no improvement is seen after 3 months of treatment discontinue use. Lightening effect may not be noticeable when used on very dark skin. Limit sun exposure during and after use to prevent darkening from recurring. Use a sunblocking agent or protective clothing.

---

#### **Neostrata - Problem Dry Skin Cream**

Product ID: 25735

NeoStrata Problem Dry Skin Cream is formulated with 20% Alpha Hydroxy Acid (AHA) to smooth and moisturize severely dry, rough and thickened skin such as knees, elbows and heels. This new, fragrance-free formulation contains Pro-Vitamin E and Maltobionic Acid and also helps reduce scaling and flaking associated with hyperkeratosis.

**Retail Price:** \$30.00

**Usage:**

Apply twice daily to skin as tolerated. Reduce application to once daily or every other day on sensitive areas such as face, underarms, behind knees, bend of arms, and groin. Test skin tolerability on a small inconspicuous area of the body prior to using on sensitive skin or on

children. Daily use of sunscreen or sun avoidance is recommended with use of this AHA product and for one week after to minimize the risk of sun sensitivity/sunburn.

---

### **Neostrata - Psorent Psoriasis Topical Solution**

Product ID: 26154

Clinically-proven and specially formulated to help relieve the symptoms of psoriasis such as itching, scaling, flaking, redness and irritation. This steroid-free formulation is fast-drying and applies easily with a convenient, no-mess applicator. Helps to prevent recurrence when used regularly.

**Retail Price:** \$45.00

**Usage:**

Apply to affected areas one to two times daily or as directed by a doctor. Dab gently onto affected skin to start the flow of medication. Apply just enough medication to wet the skin and avoid dripping. Avoid applying to severely cracked or irritated areas. Allow solution to fully dry before dressing to avoid staining clothing. Do not rinse off treated skin. Cap bottle tightly after use.

---

### **Neostrata - Renewal Cream PHA 12**

Product ID: 13830

This intensive anti aging cream is formulated with gluconolactone, a polyhydroxy acid (PHA), pro-vitamin A and vitamin E to visibly reduce fine lines and wrinkles and improve uneven pigmentation and sun damage.

**Retail Price:** \$43.00

**Usage:**

Apply a small amount as a thin layer in the evening or use as directed by a physician. Daily use of a sunscreen is recommended.

---

### **Neostrata - Skin Brightening Gel**

Product ID: 13805

This yellow colored gel is formulated to brighten, exfoliate and smooth discolored skin, and stimulate epidermal renewal to reveal brighter, newer cells. This product contains kojic acid, citric acid and Vitamin C along with glycolic acid (an AHA), lactic acid (an AHA) and gluconolactone (a PHA).

For all skin types.

**Retail Price:** \$30.00

**Usage:**

Apply a small amount as a thin layer on affected area twice daily or use as directed by a physician. Daily use of sunscreen or sun avoidance is recommended with use of this AHA product and for one week after to minimize the risk of sun sensitivity/sunburn.

---

### **Neostrata - Ultra Daytime Smoothing Cream SPF 15**

Product ID: 13804

All NEW! Contains Citric Acid and Sunscreens. Benefits similar to NeoStrata AHA Skin Smoothing Cream plus added protection of broad spectrum sunscreen (SPF 15) and antioxidant benefits of Vitamin E. Non-comedogenic. This 10% glycolic acid formulation offers exfoliation of dull skin cells, daily daytime moisturizing, and broad spectrum sun protection, all in one product.

**Retail Price:** \$34.00

**Usage:**

Apply to face and neck daily, following cleansing and before applying other cosmetic products. Reapply if excessive perspiration occurs.

---

### Neostrata - Ultra Moisturizing Face Cream PHA 10

Product ID: 13821

This rich emollient cream is specifically formulated with 10% gluconolactone to be highly moisturizing and very gentle to the skin and is suggested for use on the face and neck. This cream is gentle enough for patients with sensitive skin. Contains Vitamin E (antioxidant), Vitamin B Complex Factor and natural antioxidants.

**Retail Price:** \$32.00

**Usage:**

Apply to face and neck twice daily. Gently smooth in the cream until it disappears.

---

### Neostrata - Ultra Smoothing Cream AHA 10

Product ID: 13801

An extra rich emollient cream for light exfoliation and hydration of sun damaged skin. Fragrance-free. Contains 10% glycolic acid, and is suggested to improve dry, rough or photoaged skin on the face and neck.

**Retail Price:** \$26.00

**Usage:**

Apply to face, neck, forehead and other affected areas once daily for two weeks and twice daily thereafter. Gently smooth in the cream until it disappears.

---

### Neostrata - Ultra Smoothing Lotion AHA 10

Product ID: 13802

A silky-smooth formulation containing 10% glycolic acid. It is recommended for application to the face, hands and body. It is appropriate therapy for dry, rough and photoaged skin.

**Retail Price:** \$27.00

**Usage:**

Apply to the hands and body once daily for two weeks and twice daily thereafter. Gently smooth in the lotion until it disappears. Daily use of a sunscreen is recommended

---
