Onesta Haircare Product Line

Onesta Haircare - Create Setting Mist

Product ID: 36305

Onesta's Create Setting Mist gives hair texture and shine, providing life and flexible control. Perfect for dry styling and up-dos, Create can be used with Velcro or hot rollers, curling or flat irons, leaving hair touchable and soft. Your hair will be manageable for brush through or re-styling. Create is humidity-resistant and will protect hair from the damaging rays of the sun. Certified organic extracts of Green Tea and Milk Thistle, both rich in antioxidants, protect hair and add shine. Rhatany Root helps reduce color fading by absorbing UV light.

Free of propylene glycol, DEA, TEA, colors and dyes, Onesta's styling aids are formulated with safe, effective polymers that provide strength, resilience, and all-day hold regardless of atmospheric conditions.

Part of our 10 Steps to Look Your Best on Valentine's Day.

Retail Price: \$18.00

Usage:

Use on dry hair for heat styling or wet hair for scrunching. May also be used as a working spray.
