Revision Product Line

Revision - Alpha Cleanser

Product ID: 17104

An exceptional papaya fruit acid cleanser that eases away dull surface cells. Contains salicylic acid, which stimulates skin and promotes cell renewal. This gentle cleanser also contains unique enzymes and skin softening properties leaving skin smooth and supple. Ideal for all skin types, especially combination or T-Zone skin. Excellent for use as a stimulating body cleanser.

Retail Price: \$22.00

Usage:

Use in place of regular soap for facial cleansing, once daily or as directed by your physician.

Revision - Facial Scrub

Product ID: 17106

A natural solution for an invigorating skin treatment. Specially formulated with stimulating oil of peppermint and soothing aloe vera. This nondrying facial scrub will produce instant results removing dead surface cells via mechanical exfoliation. It deep cleans, leaving revitalized, healthy-looking skin.

Retail Price: \$17.00

Usage:

Gently massage into wet skin with fingertips, then rinse off thoroughly. Apply twice a week for normal skin, more often for oily skin. Leaves the skin toned and invigorated, while removing grime and excess oil.

Revision - Kojic HP

Product ID: 17119

A safe, all natural alternative for skin bleaching. Contains 5% kojic acid and is combined with glycyrrhetic acid, which is a pure licorice extract that is known for its skin whitening effect. Both of these products inhibit tyrosinase activity and melanin production. Guaranteed effective in treating pigmentation disorders such as post-inflammatory hyperpigmentation, melasma, and general pigmentation disorders.

Tags: Dark Spot Corrector

Retail Price: \$40.00

Usage:

Apply liberally to hyperpigmented areas twice daily for up to three months. May be applied before make-up and moisturizer

Revision - Mint Body Scrub

Product ID: 17145

Mint body scrub exfoliates skin with glycolic and salicylic acids. Stimulates cell turnover, sloughing off dead surface cells, leaving a beautiful glow. Extract of peppermint refreshes and reinvigorates the body.

Retail Price: \$27.00

Our Price: \$22.00

Usage:

Massage a liberal amount into skin during bath or shower. Rinse off after use.

Revision - Teamine Eye Complex

Product ID: 17149

Teamine Eye Complex will strengthen capillaries, lighten and brighten dark circles, smooth fine lines and wrinkles, hydrate dry / flaky skin and reduce inflammation while pampering and protecting the delicate skin around the eyes.

Retail Price: \$68.00**Usage:**

Apply a small amount to eye area after cleansing, morning and evening.

Revision - Vitamin C Infusion Cream 20%

Product ID: 17101

Oil free. Intensive treatment for the deeper lines and wrinkles that are unresponsive to other anti-aging treatments. This cream leaves a silky, powdery after feel. Vitamin C Infusion Cream 20% has a time-release component that helps to prevent skin irritation.

Retail Price: \$59.00**Usage:**

Apply once daily to clean skin directly over fine lines and wrinkles. Allow 10 minutes before applying moisturizer or make-up.
