Sun Soul Product Line

Sun Soul - yelomod Baseball Cap

Product ID: 27267

yelomod is the latest product by the SunSoul team that uses fluorescent technology to deliver the benefits of the sun's healthy yellow rays to your skin while protecting from harmful UV. Yellow light is well-known to promote skin rejuvenation by smoothing skin, improving skin tone and reducing wrinkles or skin discoloration due to aging or sun damage. yelomod offers clients an alternative or perfect compliment to spa visits for conventional treatments, as it helps maintain medical treatment results. Only a few hours in the sun a week wearing yelomod will provide a dose of yellow light similar to a visit to the professional spa. That's cost effective treatment! It's natural skin therapy on-the-go for the active, healthy lifestyle. Please note sizes tend to run a little small.

All Sales Final - No
Returns or Exchanges.
